

Point Mouillee SGA – August 6, 2017

Leader – Dave Frye, Jim Fowler

A beautiful August morning provided a spectacular backdrop for 20 attendees at Pointe Mouillee. Many got life birds, as highlights of the 58 species included Virginia Rail (2 separate sites), Tricolored Heron, Little Blue Heron, Snowy Egrets, White Pelicans, and Baird's Sandpiper. It was a very good day for shorebirds!
